The Inside Track

Scott van Tamelen, WMFC President

You've probably been wondering "Where's my October newsletter?"... Well here it is.

By design I held off on putting together my write-up. I wanted this to come to you just before our 2nd Annual Color Tour is scheduled to take place. My hopes are that it keeps the date for this final "car season" event fresh on your mind. The color tour is scheduled to take place next Saturday October 23rd with Sunday the 24th set as a rain-date. It should be a great event, and most likely one of the last events before many of us put the cars away for the winter. For more details check the Upcoming Events page on the club's website or look it up on MiFbody.com under the WMFC page. Hope all of you can join us on this cruise.

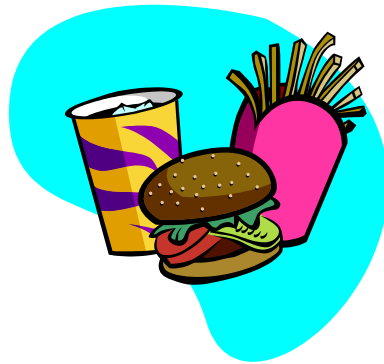

September was an active month for WMFC. We started with the Dog-N-Suds Night Out, where members met up and cruised to Mr. Quick's in Muskegon together. Every Tuesday night during the summer Mr. Quick's holds a cruise-in. We had a good time even though participation at the cruise-in was down, but this allowed for us to make a grand entrance by nearly doubling the number of cars they had in attendance with our arrival. You're probably asking yourself how does Dog-n-Suds fit into this, turns out we learned that the one day the Muskegon Dog-n-Suds is closed happens to be Tuesday.....LOL, mental note made for next year. Regardless, the food was equally as good at Mr. Quick's.

Our next event was the MiFbody "Fbody's at the Barns" show. This is the second year in a row now that WMFC members have helped organize this event for MiFbody.com members. The show was held at the Gilmore Car Museum again, and a great time was had by all who braved the rain. There were nearly 40 cars in attendance, with most of those being our friends from the east side of the state. It was a pleasure to have them make the trek over in-spite of the weather. Our very own Larry Kasmauski took home some much deserved hardware by winning one of the Top 10 awards. Congrats Larry!!!

The final event that WMFC members participated in was the 4th Annual Hamilton Car Show. This is a growing event that saw their best turnout yet, with 85 cars entering the show. I don't think there were many of our members who went home empty handed, if we didn't win a door prize, we won a class award. Congrats Everybody!!! It was also nice to finally meet our newest member in person, and admire his Firebird. Beautiful car, Bob!!!
